Presentations

Association of Education Finance and Policy (AEFP), Denver, CO, USA, 2023

- *Poster Session*: The Behavioral Impact of Free Teacher Education Policy Designs: Experimental Evidence from China (Coauthor: Xiaoyang Ye)

Research Projects

2022-Now	"The Behavioral Impact of Free Teacher Education Policy Designs: Experimental Evidence from China," with Xiaoyang Ye, in progress

- Collating data from an online randomized controlled trial (RCT) of students' willingness to participate in the FTE programme in 2020

- Conducting data analysis using Stata: including balance test, OLS regression analysis, and making interpretations

- Revising and producing the results as a paper

- Poster session to Association for Education Finance & Policy conference (AEFP), 2023

2022-Now   "Many People Project" with Xiaoyang Ye, Shuangye Chen, and Yan Cao, in progress

- Conducting experiments on examining what different empirical models and research questions different researchers would have for the same experimental data, and what are the differences in the final results

- Taking the role of one of the experimental subjects and the main author

Teaching

2024 Spring   SOSC1440 Introduction to Economics

- *Teaching assistant for Prof. Li HAN*

Research Skills

- Stata (familiar)

- LaTeX (familiar)

- Z-tree (familiar)

- R (familiar)
